Your Trusted Manufacturer of Work wear & Industrial Garments Since 2006

At Bison Western Industries, we specialize in manufacturing premium work wear, industrial garments, and PPE for businesses worldwide. With over 18 years of industry expertise, we combine expert craftsmanship with innovation to deliver high-quality, durable, and compliant apparel—ensuring safety, comfort, and reliability at competitive prices.

Our Beginnings

Founded in 2006, **Bison Western Industries** started as a small-scale operation with a big vision—to provide industries with high-quality, safety-compliant workwear. Over the years, we have expanded our manufacturing capabilities, enhanced our product range, and established a strong global presence. Our commitment to continuous improvement and customer-centric innovation has positioned us as a trusted partner in the industrial garments sector.

Our Vision & Mission

Vision: To be a global leader in workwear and industrial garments manufacturing, setting new benchmarks in safety, innovation, and quality.

Our Mission

We go beyond basic protection by prioritizing superior comfort, durability, and compliance in every garment we produce. Our goal is to empower your workforce with high-performance work-wear that doesn't compromise on safety or affordability.

Mission:

Beyond Basic Protection: Our Commitment to Comfort, Durability, and Compliance—All at Competitive Prices.

Our Team: Skilled Craftsmanship & Expertise

At Bison Western Industries, our team of 150+ skilled professionals is our greatest asset. Every garment we manufacture reflects their expertise, precision, and commitment to quality. Our workforce is not only highly trained but also deeply dedicated to upholding industry-leading standards—ensuring that every piece of clothing meets rigorous safety and performance requirements.

Industry Expertise & Custom Workwear Solutions

We specialize in crafting custom-designed industrial & workwear garments tailored to the unique needs of our clients. Whether you require OEM or ODM solutions, our team is equipped to bring your vision to life. As a one-stop manufacturing partner, we manage the entire process—from design and material selection to production and final inspection—delivering workwear that is built to perform in the toughest conditions.

Global Presence & Export Destinations

25+

Country Services

Quia e per natus erions equias desequae que veribusamus perum

39%
Man

39%

With a strong international footprint, Bison Western Industries serves businesses across:

- **The Gulf region**
- **Africa**
- **Europe**
- **The United States**

Our extensive experience in global trade ensures we adapt our products to meet local regulations while maintaining strict quality and delivery standards.

Competitive Product Range

Bison Western Industries offers a diverse portfolio of workwear solutions designed to enhance safety, comfort, and durability across various industries. Our product lineup includes:

- **Coveralls & Overalls** (FR & Hi-Vis)
- **Work Pants & Shirts** (FR & Hi-Vis)
- **Jackets & Safety Vests** (FR & Hi-Vis)
- **Cargo Pants & Work Trousers** (FR & Hi-Vis)
- **Medical Uniforms** (Scrub Suits, Lab Coats, etc.)
- **Technical & Office Staff Uniforms**
- **Protective Gear & Accessories** (Gloves, Aprons, Welding Gear, etc.)

This is a highlight of our key products — you can explore our full range by visiting our website or requesting our latest catalog.

Specialized Workwear: We offer Fire-Resistant (FR) and High-Visibility (Hi-Vis) garments, ensuring compliance with industry-specific safety requirements.

State-of-the-Art Production Capabilities

Our advanced in-house manufacturing facility is equipped with cutting-edge technology to handle orders of any scale while maintaining exceptional quality and consistency. Every garment undergoes stringent quality control measures to meet and exceed industry standards.

Uncompromising Quality & Industry Certifications

Quality is at the heart of everything we do. Every product we manufacture undergoes **rigorous testing and inspection** to ensure maximum safety and durability. We are proud members of **SECP, SCCI, TDAP, and FBR**, and our commitment to excellence is reflected in our internationally recognized certifications:

- **ISO 9001 – ISO 14001 – CE Certification – EN 11611 & EN 11612**

These certifications reinforce our dedication to delivering superior products that comply with global safety and performance regulations.

Strategic Partnerships for Excellence

To ensure we remain at the forefront of workwear innovation, we collaborate with leading suppliers and industry experts to source high-quality materials and integrate the latest manufacturing technologies into our production processes. These strategic alliances allow us to provide our clients with best-in-class industrial apparel that meets evolving market demands.

Sustainability & Corporate Social Responsibility (CSR)

At Bison Western Industries, sustainability is a core value. We are committed to eco-friendly manufacturing practices that minimize waste and reduce our environmental footprint. Additionally, our CSR initiatives focus on:

- **Community support programs**
- **Ethical labor practices**
- **A safe and inclusive workplace for all employees**

By prioritizing responsible manufacturing, we aim to create a better future for both people and the planet.
