COMPANY PROFILE

Bison Western Canada is a Calgary-based brand focused on premium motorcycle jackets, rider apparel, gloves, and accessories. We combine durable materials, dependable protection, and rider-focused design for everyday road use and adventure riding. Our collection is built to deliver comfort, confidence, and performance across a wide range of biker gear and riding essentials.

From leather jackets and riding suits to gloves, protective gear, and accessories, Bison Western is committed to practical quality, clean design, and reliable value for modern riders.
